What A Blast We Had!

What an exciting performance season we had! A BIG

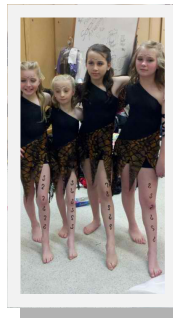

CONGRATULATIONS to all of our dancers on a great recital, and a wonderful year of memories.

We began our year with a summer camp for those interested in trying out for Competition Teams, and ended up with two phenomenal groups of competitors. Each group worked hard to learn technique, strengthening and choreography. Groups attended and excelled at three competitions! The third competition our Special Angels joined in the competitive fun and brought home impressive scores for their division as well. Congratulations to the Competition Teams as well as the Special Angels!

Our year also encompassed lots of memorable moments

with our general classes! We had a great time learning and growing, putting together both our Christmas and our Spring Recitals. In the meantime fitting in time to share the fun with friends for Bring a Friend Week, dressing up for Halloween week, wearing pajamas and fun socks to shake away the winter blues and enjoying root beer floats! All while learning to appreciate the basic technique of dance and maneuver around the floor with ease.

Oh what a blast we had! Check out our Facebook page for many fun photos!

New Competition Team Program:

Competition Teams have been an exciting part of our program for several years now. Each team has brought much talent and pride to our program! This year we will be offering competition teams with a new twist!

Those wishing to be a part of the competitive teams will be required to take a prep camp this July 18th thru 22nd with tryouts taking place on the 22nd.

Dancers who try out and make the cut will be required to take a technique class as well as a "core class". The core class will be part stretching and strengthening and part choreography for a "group/line" dance. Smaller groups will be designated to dancers who work well together and practice times for those groups will be sched-

uled accordingly. Teachers will be working collectively with dancers.
